

When were schools built in Warren Township?

Help me complete this list contact Wesley Arnold at wecare@dogoodforall.today

The first known school in Warren was a split log school house the farmers built near Creek Road (Chicago Road) and Ryan roads. This school house was also used for a church for both the Methodist and Baptist groups. Log buildings also had split log benches. There were often few if any good books. Church buildings were sometimes used for schools.

West school was built in **1894** to the south on Ryan Road. That burned down in 1931. A newer better red brick building was built to the south on Ryan Road and is still standing.

The **North school built in 1859** was also called the Berz school. It was located on the West side of Mound just South of 15 Mile Road. It became part of the Warren Consolidated School District in 1941, It was sold in August of 1952.

The South school was built in 1866. It was located on the East side of Mound Road between 13 Mile Road and 12 Mile Road. There was also an **East School built before 1875** on Chicago Road between Van Dyke and Mound. **Leonard Schemm School** Nine mile at Hoover was a one room school. Washington was later built there. The 1865 **Jeremiah O'Leary School** at Bunert & Frazo burned about 1875. Probably leading August and Mine Bunert to donate land so local children would be closer at the **Bunert One Room School built in 1875.** It housed students in grades 1-8 in one room. A larger two room school was built in 1927. The 1869 **Plunkett school** named after Mortimer Plunkett who taught there 1900-1916 after Frank Bacon. Mort had a farm in southern Van Dyke Note school was in use before school district formed. **These had grades 1-8. St Clement School** before 1868. **Murthum High** was built in 1926. **Busch High** 1921. Students could attend either. Schools with two or more rooms followed. **Lincoln** 1921. **Harding** 1925. **Ellis** 1926. **Groesbeck, Mckinley, Macomb Park** 1928. **Ladd** 1941, **Victory** 1942. In 1944 a new 6 room school was built and named **Charwood** after Betty Chargo & Irene Woodward. **Miller** 1950. **Peck** 1961 **CLHS** 1962. **Flynn** 1973.

Below schools by school District and year built. Info directly from school districts or by calling school to get year off of plaque. Some schools refused to give the historian even the year on the plaque in the hall which was paid for with public money.
