

I could not read this stone so I posted it on Friends of St Clement on Facebook. Here is Jerry's wonderful reply.
Jerry Malburg The stone reads.....MARY ANN...wife of T. McINERNEY....died March 20, 1879....age 38 years. There are a couple of mistakes in the stone inscription. Mary Ann McInerney actually died 20 March 1880 and her burial record at St. Clement's Church gives her age as 42. Thomas McInerney married Mary Ann Curley 16 Oct 1861 at St. Clement's Church. Thomas McInerney was my Great-grandmother's brother.
