M.A. Historical Researcher

In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to preserve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1st was 2/26/93). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on innocent people since 9-11 all over the world virtually all by members of the Terrorist Religion? This is an ideology which has been proven by their actions to be a growing threat to us, is anti human rights, anti equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

Old families are listed on pages 6000-7999.

Hundreds of graves are now unmarked at Warren Union and St Clement Cemeteries and many stones are unreadable. Please help Historian Wesley Arnold identify these. Hundreds are children. If you have relatives buried there please contact me at wecare@macombhistory.us while there are still people alive that have some knowledge of who is buried there. These will be saved and published in libraries, and on this free website where anyone can see and print any item in my histories.

The following message from the grave stands out.
DO GOOD WHILE YOU STILL CAN,
BEFORE ITS TOO LATE.
Behold and see as you pass by, as you are now, so once was I,

**as I am now you soon will be, prepare thyself to follow me,
USE TIME WISELY WASTE IT NOT, AS SOON THIS TO WILL BE YOUR LOT.**

The first entry, “Abel Warren” is first here to honor this person.

Abel Warren War hero settled in Macomb County in the summer of 1824. Abel and Sarah Warren were Pioneers in the wilderness. (Thanks to Brandon and Challis Warren) Abel Warren was a pioneer Christian circuit preacher and war hero who became particularly beloved to the early pioneers and was held in very high esteem so much so that the area near the future village of Warren was called Abe’s circuit or Warren’s circuit. The area was later named Aba Township and on March 26, 1839 it was renamed Warren Township. (Aba was probably his nickname) “I have fought a good fight. I have finished my course. I have kept the faith.” Thus reads the stone of the pioneer Christian preacher and war hero who married more of Warren’s pioneers and spoke at more of their burials than any other person. He was Rev Abel Warren born August 3, 1789 and died Sept 5, 1862. His great grandfather came across on the Mayflower. His Grandfather Gideon Warren was a Lieutenant in the French and Indian Wars, joining in 1748. “He was one of Ethan Allen’s Green Mountain Boys” in Vermont. He became a Colonel of the 5th Vermont Regiment in the Revolutionary War. He was wounded in the battle of Ticonderoga. Abel Warren enlisted and served his country as a soldier in 1812 holding the rank of Sergeant. He was seriously wounded and taken prisoner at the battle of Queens town Heights. Having near death experiences in the war and as a British prisoner made him aware of the value of life. He became a Christian in 1817 and joined the Methodist church. In 1824 he and his wife Sarah became some of the first pioneers in Macomb County settling just north of Warren. He became a deacon and later an elder in the church and was the first man to preach in Macomb County, and “no doubt preached at more funerals and married more couples than any other man in the county of Macomb, as when well he was always ready at a moment’s call for either, frequently leaving the hayfield and going ten or fifteen miles to attend a funeral”, on foot as horses in those days were very scarce. “As a pioneer local preacher, he was abundant in labors, traveling on foot at times twenty-four miles on the Sabbath and preaching three times, and that after a hard week’s work on the farm, and preaching as regularly as any stationed, preacher, and spending most of the winters in special revival work, in Macomb, St Clair and Oakland Counties, in which hundreds

were converted, thus helping to lay the basis on which rests the magnificent, moral and social superstructure of this beautiful region of country.” “He was genial and sympathetic, could weep with those that wept, or rejoice and smile with the cheerful and happy, and thus was a welcome guest, either at the wedding festival, and the sick-bed or funeral obsequies. He had nine children, four sons and five daughters.” Two of his sons entered the ministry a third has an important position in the church. Abel Warren had settled in Macomb County even before Warren Township was settled. The area was all wilderness and abounded in wildlife. While pausing in the woods for a moment of prayer and some local wolves started howling so he held prayer meeting with them. “One Sabbath evening, while passing through the woods over an Indian trail, he saw just ahead of him a huge bear. The animal seemed inclined to dispute the right of way; without apparent fear, the traveler picked up a stick, saying, ‘If you be good, I will, but otherwise we will try titles.’ The bear stepped aside and the Elder pushed forward on his journey.” From the History of Macomb County. Leeson 1882 p 739.

“The first or second sermon ever delivered in Lapeer County was preached by 'old Father Abel Warren,' as he was familiarly called. Mr. Warren belonged to the M. E. Church and was the pioneer preacher of a large track of wilderness, embracing this and several adjoining counties. He must have been a man of many sterling qualities of brain and heart, judging from the success of his heroic labors and the affectionate remembrance in which he is still held by the surviving pioneers.” History of Lapeer County p 33. “Rev Abel Warren, of precious memory, was the first minister to find his way to this town, and probably preached the first sermon in town. For several years did this noble veteran of the cross visit the people of the town from his home some twenty miles away in the town of Washington. It is safe to say that no minister since that time has had the love and esteem of this people more than did this faithful and devoted man. In the year 1855 he was preacher in charge on the circuit, which was nearly the last of his ministerial labors. He has long since passed to his reward, and his memory is precious with those who knew him.” History of Lapeer County p 101

Historian George Fuller in his book Historic Michigan states that Rev Abel Warren settled in Shelby in the summer of 1824 and lived there for thirty nine years. “Being a local preacher, he made his own appointments, and was at liberty to respond to any call he might receive, where the people desired his services, and such was the demand for them that there was hardly a settlement in eastern Michigan where he was not called at times to preach, either on the Sabbath, or at the funeral of some departed friend. I doubt that if there has ever been another minister in Michigan so universally respected and beloved by all classes, and people of all creeds, as was Abel Warren, during the thirty-nine years of his life work in Michigan.” He was the first man licensed to preach in the State of Michigan. History of Macomb County Leeson 1882.

Rev Abel Warren was a circuit rider who traveled around Macomb County preaching the story of Jesus, marrying many pioneers, speaking at

many pioneer funerals and helping to start several churches. He became known as Elder Warren. His warm personality made him many friends. He ministered to the spiritual needs of Warren's early settlers. (from Leeson's History of Macomb County-1882) It is believed he was instrumental in the formation of the first Methodist church of Warren in which his son was one of the earliest pastors. This was the first church of any denomination formed in Warren.

It is highly possible that Warren was named after this well traveled and well loved man.

Abel Warren was well loved and spoken very well of in several historical references. He preached about Jesus in many places around Macomb County and Warren. Barns sometimes had to be used as there were no other buildings big enough where people could meet. He may have performed more marriages than any other local pioneer preacher. His certificates read "By me (signed) Abel Warren Minister of the Gospel".

Historian Wesley Arnold located some of his descendants and they feel that since he was so well respected in the area and that family legends are such that it is very likely that the citizens wanted to honor him by naming the township after him. First by calling it Aba's (Many of the pioneers spoke different languages and Aba was a mispronouncement of Abel's circuit) then later by calling it Warren's circuit which got shortened to Warren.

They were the pioneers. Most important these were decent, hard working people who first had to face life in the wilderness without any modern things we call necessities. They had to first build a protective shelter to protect themselves from the animals that could kill them. This had to be done before nightfall. They had to obtain water and food from the wilderness as there were no stores or restaurants just miles of woods and swamps with no roads or civilization. They had to be on constant guard against attack not only from animals but also from murderous humans. Then they had to clear land, plant crops, create tools, build better shelters for themselves and their animals. There was no electricity, no machines, no tractors, no trucks or cars, no plastic or paper products. All cooking had to be done outside rain or shine until a chimney and log cabin could be constructed. A roof had to be constructed that could keep out the rain, cold and protect them from the hoards of mosquitoes.

A bed had to be built from native materials and raised off of the floor. Indeed there were hundreds of things that had to be done to create a working farm. It took several years of real struggle. And they succeeded.

They worked to create a better life for their children and grandchildren.

They created schools and churches. They taught good values to their children. Everyone had to pull their own weight. There was no welfare or food stamps. You worked or starved. Sometimes you worked and still did without.

They were law abiding, conscientious decent people that treated others as

they would want to be teamed themselves. And they brought no harm to another by their actions or inaction.

They should be respected and honored.

There are two prevalent patterns for naming towns. The least prevalent was to pick them out of a list of revolutionary War Heroes. In our case General Joseph Warren who never set foot in our town and died 60 years prior. The other much more prevalent and popular pattern for naming towns was to name them after a local hero, famous resident or local popular or powerful person. Just looking at Macomb County Bruce Township was named after Robert Bruce a local resident. Orange Township after the large number of Irishmen who settled there. Sterling Township was named after a local resident as were many other townships. Mt Clemens was named after Christian Clemens, Gratiot Avenue after the man who built the road. Countless street names were named after local residents. (far more than after presidents). The same is true for local schools, libraries and parks. What we are saying here is that far more things were named after local residents and heroes than after national ones. Since Warren was first named Aba the local nickname for Abel Warren and in a short time more formalized to Warren. We think along with historian Harold Stilwell that the founding committee chose Abel Warren the most famous and popular man at that time as the best person to honor by naming their township after him. They all did not read and they probably did not own a book on American war heroes.

Several historians feel that Warren was named after this well traveled popular and well loved man. Abel Warren was well loved and spoken very well of in several historical references. He preached about Jesus in many places around Macomb County and Warren. Barns sometimes had to be used as there were no other buildings big enough where people could meet. He may have performed more marriages than any other local pioneer preacher. His certificates read "By me (signed) Abel Warren Minister of the Gospel". He spoke at more funerals, he educated people, possibly educated children in the winters and according to several histories was very beloved by local Warren pioneer residents.

This does not take away from the fact that the Warren City council acting without the above knowledge mistakenly voted that it was probably that it was named after a hero of Bunker Hill Joseph Warren who never set foot in our area and was not even known to our pioneers who lived here. Joseph Warren had died 64 years earlier. Joseph Warren was born in Roxbury, Mass. 11 June, 1741; died in Charlestown, Mass., 17 June, 1775 in the battle of The Battle of Bunker Hill in the United States Revolutionary War for Independence. On 18 April, observing the movements of the British troops, Dr. Warren dispatched William Dawes, and Paul Revere to sound the alarm to the American people. He was chosen as president Provincial congress, and thus became chief executive officer of Massachusetts under this provisional government. On 14 June he was chosen second major-general of tile Massachusetts forces. On the 16th he presided over the Provincial

Congress. The next day upon hearing that the British troops had landed at Charlestown, he rode over to Bunker Hill. As he was rallying the militia, he was struck in the head by a musket-ball and instantly killed.

But our local Abel was not only a war hero but also actually lived just north of Warren. He settled here years before our settlers and helped them with local survival knowledge and cabin raisings, education for their children, community meetings, Performed more weddings and Officiated at more funerals than anyone else, endearing himself as a local brother, helper and hero to our Warren pioneers. (Much of this is stated in old histories.)

In 1838 the five sections of our township that had been taken away were restored and Hickory Township was renamed Aba Township. Eleven months later Aba was allowed to adopt the name of Warren Township. It is most likely that the citizens wanted to honor Abel Warren by naming the township after him. First by calling it Aba (Many of the pioneers spoke different languages and Aba was a nick name and mispronouncement of Abel) then later by calling it Warren.

Both of these Warrens were war heroes and had honorable lives and both deserve to be remembered. But which one was actually the one they named the Township after is not important. Harold Stilwell favored Able. I have copies of newspaper articles to that effect. We know that the pioneers admired their local brother Abel Warren. We are reasonably sure that they did not even know about Joseph Warren. So let's honor both of them. There is room to do this. So let the Warren name honor two great men both named Warren. And let it honor our great pioneer family. It is the right thing to do and it is what the pioneers themselves would have wanted.

The following was excerpted from Leeson's History of Macomb County, Michigan, pp.852ff. "The township of Warren was erected under the name of Hickory March 11, 1837. Under an act approved April 2, 1838, all that portion of Macomb known as Sections 12, 13, 24, 25 and 36 in Township 1 north, of Range 12 east, was set off from the town of Orange and annexed to the town of Hickory. Under the same act, the name of the township of Hickory was changed to that of Aba. It retained this name until March 25, 1838, when it received its present title -- Warren. The first town meeting was held at the house of Louis Groesbeck, April 3, 1837, with Avery Dennison, Moderator; Samuel Gibbs, Clerk; Louis Beaufait, Alonzo Haight and Jenison F. Glazier, Inspectors of Election. Samuel Gibbs was elected Supervisor; Alonzo Haight, Clerk; Louis L. Beaufait, Collector; Harris Corey, Loring Hawley, L. L. Beaufait, Assessors; Peter Gillett, John H. Barton, Loring Hawley, Commissioners of Highways; Northrup Jones and Louis Groesbeck, Overseers of the Poor; James N. Bruce, with Beaufait and Corey, were elected Constables. Avery Dennison, Sam Gibbs, Lyman E. Rhodes, Commissioners of Schools."

One could say that The "**Township**" was named after Abel Warren and that the City of Warren by proclamation of City Council decided that they would honor Joseph Warren for the "**City of Warren.**"

A.C. Lyons was a lamplighter in Warren Village had wooden planked sidewalks and the streets were lit with gasoline lamps They were replaced with electric lamps in 1913.

ARNOLD PFC. JAMES L. 21 KILLED IN IRAQ WAR 15-Mar-2007

Arnold Wesley E Prof AA BA MA +... U.S. Army Veteran, humanitarian, historical researcher and humble historian who researched a multiple 70+ volume history of the Warren and Center Line Area and many other books. He was a college professor. His research is seen in several other author's books including that of the Warren Historical Society. He did some Doctoral work on languages and researched over 100 books. He was a US Army veteran who usually wore a U.S. Army Veteran cap with a US Flag on it and a patch that stated "Remember 9-11." He stated that he wore it to remind people that many Americans died securing their freedom and that he was not a hero but merely did his job as a soldier in which he took an oath to support the U.S. Constitution. He was a Firemen with Center Line Fire Department late 1960s-early 70s, a Scouter, American Red Cross volunteer, Social Worker, First Aid Instructor, and Disaster Worker. As a concerned citizen he raised awareness of issues of importance to citizens. He stood up against a local terrorist cell at the risk of his life. He helped many students and others. He probably had done more research into Warren history than anyone else. He gave away his printed history books for free over many years and also published most of his books on his website macombhistory.us and

domostgoodforall.info where people could see and print any page, book or any or all of thousands of pictures themselves. He was the only member on the Warren Historical Commission who objected to the stealing of the Unknown Soldier Memorial, the memorial listing our soldiers buried at Warren Union Cemetery and those who served or have no stone listing them, the Children's Memorial, the memorial to all citizens firefighters who died in attacks on our country, and several other memorials. He stated that the people who had ordered the children's memorial had quoted him on it and he wished that they had not quoted him on it as he felt it detracted from the message honoring the children and pioneers who had no markers. He stated that he felt that the only marker that should have his name is one listing him as a soldier. His own headstone is at Forest Lawn Cemetery but he has asked that his ashes be sprinkled at Warren Union Cemetery where he did so much research. He stated that this would give Warren Union Cemetery a span of soldiers from 1850 to the 2000s. He felt we should honor all those who served our country and who died on attacks on our country and despised the stealing of these memorials. Also served on Warren Historical Commission.

Arnold, Roy Gordon, Motor Machinist's Mate 2c, USN. was one of 405,000 Americans killed in World War II defending our freedom and securing liberty and justice for all. Both Hitler and the Japs had plans to take over America. It could happen again because foreigners are planning now to take over America.
