In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to preserve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1st was 2/26/93). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on innocent people since 9-11 all over the world virtually all by members of the Terrorist Religion. This is an ideology which has been proven by their actions to be a growing threat to us, is anti human rights, anti equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

Old families are listed on pages 6000-7999.

Hundreds of graves are now unmarked at Warren Union and St Clement Cemeteries and many stones are unreadable. Please help Historian Wesley Arnold identify these. Hundreds are children. If you have relatives buried there please contact me at wecare@macombhistory.us while there are still people alive that have some knowledge of who is buried there. These will be saved and published in libraries, and on this free website where anyone can see and print any item in my histories.

The following message from the grave stands out.
DO GOOD WHILE YOU STILL CAN,
BEFORE ITS TOO LATE.
Behold and see as you pass by, as you are now, so once was I,

**as I am now you soon will be, prepare thyself to follow me,
USE TIME WISELY WASTE IT NOT, AS SOON THIS TO WILL BE YOUR LOT.**

A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause.

They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. Ellis Family I am still looking for this man's name. I spent some time at the Registrar of

Deeds and found many Ellis land transactions in 1925 and 1926. But this will take more time to investigate. I called the school superintendent and they are going to try to find the records from 1925-1926. Mr Ellis donated land to build the Ellis school in Center Line. The little village desperately need to build a school in the area and he stepped up and donated the land where Ellis school was built. This school taught all 8 grades for several years. Later there was Louis Ellis who taught at Busch school in 1949. If anyone has information on this family please share it. Ellis Frank 1920 Warren Township Census Was the only Ellis in the 1920 warren township census. Need More Information Ellis Mr. donated the land for the Ellis school in Center Line. All eight elementary grades were taught there by four teachers. In the 1940s Victory school was added to it.

Engleman Street which was first called Church Street, was named after the early settling family with the same name. However Gerald Neil stated that it was named after

Hieronymous Engleman a State Representative from Warren in the 1870s.

Engleman, Hyronemus came here in 1847 from Germany and he bought both sides of Van Dyke from Nine Mile Road to Nine and a half, and a half mile deep each way. He owned both sides of the street for half a mile. He had a son who apparently inherited these properties and had a home and about 40 acres in Center Line. The name is familiar to us because Engleman Avenue was named after Jacob or Heironimus Engleman who is buried in the St Clement's Cemetery. He died about 1918 and was quite an astute gentleman in the fact that he was the first one from Warren that served in a state office. He became elected as a state representative and served two terms as state representative. He had college training, went 4 years to college. I was never able to find out which college, but it was in Racine, Wisconsin. (Harold Stilwell) If there are family members of this family around please contact Wes Arnold and perhaps we can find family records about him. Need More Information
