In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to preserve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1<sup>st</sup> was 2/26/93 ). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on innocent people since 9-11 all over the world virtually all by members of the Terrorist Religion? This is an ideology which has been proven by their actions to be a growing threat to us, is anti human rights, anti equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

Old families are listed on pages 6000-7999.

Hundreds of graves are now unmarked at Warren Union and St Clement Cemeteries and many stones are unreadable. Please help Historian Wesley Arnold identify these. Hundreds are children. If you have relatives buried there please contact me at [wecare@macombhistory.us](mailto:wecare@macombhistory.us) while there are still people alive that have some knowledge of who is buried there. These will be saved and published in libraries, and on this free website where anyone can see and print any item in my histories.

**The following message from the grave stands out.**

**DO GOOD WHILE YOU STILL CAN,  
BEFORE ITS TOO LATE.**

**Behold and see as you pass by, as you are now, so once was I,  
as I am now you soon will be, prepare thyself to follow me,

Underwood Drive was named for Warren Councilman Orba Underwood according to  
Gerald Neil.

Underwood Floyd Warren Council 1969-1982, 1987-1990 One of the strongest voices of  
labor ever to be elected to the Warren City Council and the Macomb County Board of

Commissioners, Orba Underwood made no secret of his connection to labor unions in the area during his tenure of these bodies. It was common for him to look at developments of projects and businesses as to how they might affect the welfare of the ordinary laborer or skilled tradesman. He was first elected to the Council in 1961 and retained this seat until 1969, then won election to the Commission in 1969 and remained until 1977. Mr. Underwood was born in Knoxville, Tenn., attended the University of Tennessee for one year before moving to Detroit. He and his wife settled in the area that was to become the City of Warren in 1939, and soon became involved in the auto industry and the labor movement. He was a key organizer in the UAW in Macomb County during the 1940's, later serving as president on UAW Local 235 at the Chevrolet Gear & Axle Plant in Hamtramck and as financial secretary and treasurer at the Warren Chevrolet Plant. He was a machinist by trade and after more than 21 years at General Motors retired in 1977. He was also a lifetime member of the Oddfellows of Warren and belonged to the Dads of VFW in Warren. Mr. Underwood was also a Mason for 40 years. Among other civic accomplishments, he was actively involved in getting the County Social Services building located in the Warren Civic Center as well as South Macomb Hospital at 12 Mile and Hoover (now St. John's of Macomb). Unknown Geneive ? St Clement 1920 Eighth grade graduation class

### **Unknown on USS Franklin CV13 923 Killed in Action 1945**

**UNKNOWN SOLDIER** We know by a detailed survey that a soldier was buried there but since a flood destroyed the church records there are no records of this burial. We think he should at least be remembered. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See [macombhistory.us](http://macombhistory.us) for details.

**How would you feel if your brother was killed at 19 and someone ripped out the only memorial that had his name on it.**

The gang now has ordained themselves cemetery gods and have written rules that allow them to rip out without public hearing any memorial they don't like. And they have ripped out **several** memorials which they did not own without just cause from Warren Union Cemetery which they do not own. They have stolen the only granite records of many of Warren area soldiers. A

Warren man who put his life at risk deserves at the least to have his name on a granite memorial which may be his only historical legacy. Thousands of soldiers died and to have their only memorial ripped out by those to whom they died to give freedom to goes beyond insult and disrespect and borders on treason. We veterans condemn these actions.

Much of our history including the story of many of our Warren boy soldiers has been lost due to just not being written down. Why do I call them boys. Well just look at the ages that most of our soldiers were when they were killed. Many were in fact still in their teens.

According to the Warren Police, WWJ, and Macomb Daily officers of the Warren Historical Society are behind the stealing of at least 5 expensive memorials from Warren Union Cemetery. They do not own the cemetery or the markers, They did this secretly without just cause, without a public hearing, without notification to the membership, or vote of membership or Warren Village Commission or City Council or even property owners.

They robbed Warren's Unknown Soldier memorial from a grave and they stole a memorial that listed Warren soldiers who are buried there. **This was the only memorial showing the names of these soldiers. Nothing was found wrong with these memorials in a later public meeting** And they stole the memorial to all veterans and to those who died on attacks on our country (many families were affected by Pearl Harbor) and 9-11 (including over 400 policemen and firemen among the 3,000 killed) and they stole another that stated what our flag stood for and yet another that honors those many children and pioneers buried there without markers. **These memorials were causing no harm. There is lots of room for them. They posed no threat. There is nothing disrespectful or wrong about these memorials.** The memorials were there to

honor men who died and to educate visitors especially young people who no longer learn about history in school. The Hysterical grave robbing gang actually has a written plan to steal more markers they do not like, without public notice, and several more markers are now gone including an expensive family's epitaph robbed from a grave.

**We veterans who survived wars speak for the soldiers buried there. Many veterans went through hell, were wounded, saw friends die, heard the pain filled screams of mortally wounded men, put friends body parts into body bags, accompanied friends caskets home. We served our country with honor and integrity. We feel it is wrong to steal soldiers memorials and especially ones which show soldiers honored service to future generations for whom they fought and died. They at least earned their name on a granite memorial and this grave robbing gang has no right to steal soldiers memorials they don't own out of our cemetery. Now visitors including young people will not be able to see who these soldiers were. Now many of our soldiers have no marker at all because the only one they had was stolen.**

It appears that the persons who did this are now so ashamed of their actions they are now trying to blame others. This was not an action by the historical society rather just two persons. The membership or public had not been informed and The Village Commission did not vote on this.

Taking property that is not yours is called stealing and when it is worth several thousand dollars it is grand larceny. It has been over a year and they have not returned or replaced them.

Disrespecting our soldiers who were killed or put their lives on the line for our freedom is wrong. Stealing memorials that name our soldiers is worse than disgraceful. They are robbing our history left for our young people who no longer are taught history in school. No one should be allowed to steal memorials (property they don't own) out of a cemetery they don't own. We veterans feel that they have disrespected our soldiers, our flag and those who died on attacks to our country. These memorials were donated without cost to the city possibility by out of town descendents of those buried there.

**We veterans are asking that The Warren Village Commission simply acknowledge that these memorials are not a threat to anyone, harm no one, honor our Warren Soldiers many of which are buried in Warren Union Cemetery which has lots of room for them and does so without cost to the city. We also ask that the people who removed them without public notice or the vote of The Village Commission simply return them without cost to the city. This will also avoid costly and ugly legal battles supported by hundreds of veterans over the improper removal (grand larceny) and disrespecting of our soldiers. This simple and cost free action would make The Warren Village Commission heroes to thousands of Warren**

**children, and veterans who look to them to preserve our Warren Village Historical and American Heritage to future generations.**

Another way to look at this is that it was a big mistake by these two people. They have the opportunity now to rectify the mistake by returning the memorials. Respect our Warren soldiers and those who died by allowing their names to be seen without cost and honored on these granite stones in their home town Warren Village. This also fulfills the missions of The Warren Historical Commission, the society and Village Commission to preserve our history and educate future generations.

But if they choose to disrespect our soldiers and veterans and those who died defending our freedom and on attacks on our country let it be known that we will mount a campaign against those few disrespectors and there are hundreds of us. And we veterans are not going to allow men and women who died to be disrespected and their history stolen from our local cemetery. Attention attorneys we are looking for attorneys who are willing to help us fight this cause. We are willing to do fund raising to pay you. We are looking for banks or organizations who are willing to accept donations directly to them for this cause. None of us is to accept funds rather they are to go directly to the banks. History will note whether these disrespectors of those who died for our freedom shall be known as the Warren "Hysterical" grave robbing society, or shall be known as Historical Heroes who preserved our American Heritage, educated future generations and respected our soldiers.

**Vretta**, Carl Carl Vretta Born July 6, 1927 - Departed October 19, 2014 Funeral Service: Thursday October 23, 2014 at St. Nicholas Greek Orthodox Church, Troy, MI Cemetery: White Chapel, Troy MI Carl was born in Detroit and spent his early years in Dearborn. He was interested in animals from a young age and had thoughts of becoming a lion trainer. He joined the Clyde Beatty Circus for a season, but left after his famous quote of, "The lion got the new guy." Unable to train lions he turned his attention to training students. He started at the

University of Michigan but was drafted into the army during World War II. (Luckily the powers to be found out, and the war ended within the week.) After completing his military service he finished his studies at U of M with a Degree in education. He worked for Center Line Public schools for 38 years as a math and history teacher and did some football and basketball coaching. During this time he met Alice and they were happily married for 51 years. They had two wonderful children, George and Cathy. He certainly was proud of his children's educational achievements, one teacher and one doctor, and they fulfilled his wish for good parenting. With the addition of his daughter-in-law Sherry and son-in-law Dennis he became a proud grandfather of three grandchildren, Nicholas, Julia and Michael. Much of his later years were spent enjoying time with family. His love of animals continued and during vacations Carl made a point to visit zoos all over the world. He saw everything from pandas in Beijing to gorillas in Zurich and of course lions everywhere from Paris to Moscow to Mexico City. He was a proud member of St. Nicholas Greek Orthodox parish in Troy and served on various committees. As a member of the church golf league he continued his love of the sport which began during his teaching career. His life ended with a brief hospitalization surrounded by his loving family. He will be remembered with much love. Beloved husband of Alice for 51 years. Dear father of George (Sherry) and Cathy Yee (Dennis). Loving papou of Nicholas, Julia and Michael. Retired Teacher with Centerline Public Schools after 38 years of service. The family will receive friends Wednesday 2-8 p.m. with Trisagion at 7 p.m. at A.J. Desmond & Sons Funeral Home, 2600 Crooks Road (Between Maple and Big Beaver), 248-362-2500.

The Funeral Service will be Thursday at St. Nicholas Greek Orthodox Church, 760 W. Wattles, Troy. Memorial tributes to St. Nicholas Greek Orthodox Church, 760 W.
