

History of St Clement Graduating Classes 1920-2012

Your help is needed to complete these lists of classes. When people from each class send me a list of the fellow students, and yearbooks read and typed in we will have a more complete book. **I want this book to be our book (not my book,) a community work, added to by many.**

Please send information to wesleyarnold@yahoo.com If you know of achievements of graduates or if they have died and perhaps where they are buried please include these facts. In case of males or females if you know their spouse name please include that also.

Yes I am aware that there are year books around many online but the print is not readable. Everything has to be physically typed in. If only one person does this part time it will take much longer. Also be aware that **I am compiling information of every class of every school in Center Line and Warren while teaching College classes**, building a solar roof, helping homeless, working on my 15 St Clement Books and Warren Union Cemetery book, and the other 100 books about local history, working on a Doctorate and other things. So my time is short, and my health iffy as I am an old man who may not live long enough to finish all of these projects. **My biggest and most important project is promoting our American way of Life and preserving our freedom expressed in the picture below.**

**We Support The American Way of Life which promotes:
Life, Liberty, Justice and the pursuit of Happiness for all
With rule of law under our U.S. Constitution.**

**With each person supporting themselves, family and
their community to best of their ability,
through individual Responsibility and Integrity.**

**Promotes: use of scientific knowledge, research and
discussion for solving problems rather than violence.**

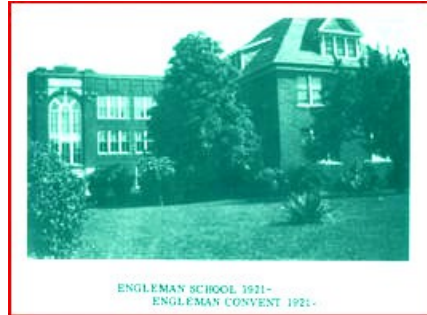

**Promotes: Love, Kindness, consideration for all with
the expectation and code of conduct that
No one should bring harm to another by their actions
or inaction**

**and Actions should be based on Factual Truth,
not hearsay or uneducated opinion from obsolete past?**

**Does it pass the test of Truth based on all of the facts?
Is it how you would want to be treated?**

Humans should be Humane.

Many of our young people do not know even these basics listed above. We must educate them.

The first actual graduating classes from St Clement appear to formally start in 1920. Prior to this individual students graduated from the sixth grade or eights grade individually. I intend to add these names when I find them and when people send this information to me
